

LaSalles Woods Association of Owners Inc.  
Scheduled Board of Directors Budget meeting  
July 13, 2016

---

PRESENT: President John Bernstein; Board members Loni Dishong, Larry Hardman, Troy Levy, Property Manager Bill Richardson, Bookkeeper Michele Hardman

The meeting was called to order near 6:30 PM.

No minutes were available.

John discussed the loss of the secretary and board member, Pam Harris. He also addressed the need for all board members to disseminate information that is consistent with the Board's decisions and not hearsay or conjecture.

No Financial statement was available.

Property manager, Bill Richardson, released his overview of work accomplished and projections of work to be done in the near future. He also addressed requests from some owners regarding siding. Troy Levy agreed to contact Ms. Martin regarding her unit and the work done there. At some point a heated argument ensued between Mr. Richardson and Ms. Dishong over decks and siding. Mr. Richardson left the meeting. Decisions to fund any further work were tabled due to lack of knowledge for funding.

A brief mention of work to be done on the fence surrounding Building 10 was made but no further discussion ensued due to lack of knowledge of funds.

A brief mention was offered toward the status of the Bex vs. LaSalle's Woods litigation. No changes have occurred.

A summer news letter will be drafted by John and sent to the board for approval before being distributed to the owners. Blake will send the news letter to the email addresses and give Michele the list of owners that need snail mail copies.

The meeting was adjourned.
